CAREER OBJECTIVE

Motivated Bachelor of Information Technology (Hons) student at Universiti Teknologi PETRONAS (UTP) with strong interest in software development, system design, database systems, and IT project management. Experienced in leading large-scale programmes, developing digital solutions using Oracle APEX and SQL, and participating in national and ASEAN-level hackathons. Seeking an internship opportunity to apply technical and leadership skills in a professional environment.

EDUCATION

BACHELOR OF INFORMATION TECHNOLOGY (HONS), MINOR IN CORPORATE MANAGEMENT

Universiti Teknologi PETRONAS (UTP) | Sep 2024 – Jan 2028 (Expected)

CGPA: 3.41/ 4.00

Relevant Coursework: Database Systems, Software Engineering, Data Communication & Networks, Discrete Mathematics, Statistics, Requirement Engineering.

FOUNDATION OF INFORMATION TECHNOLOGY

Universiti Teknologi PETRONAS (UTP) | Sep 2023 – May 2024

CGPA: 3.36/ 4.00

SOFTWARE SKILLS

Programming And Development: Python (Basic), Sql (Basic), Visual Basic (Intermediate), R (Basic), C++ (Basic), C# (Basic)

Web Technologies: HTML (Intermediate), CSS (Intermediate), JavaScript (Basic)

Database System: Oracle Database (Intermediate), Microsoft Access (Intermediate), PhpMyAdmin (Basic)

Networking And Systems: Huawei eNSP (Basic), Cisco Networking Fundamentals (Basic), Vlan (Basic), DHCP (Basic), DNS (Basic), OSPF (Basic)

Tools And Platforms: Oracle Apex (Intermediate), Microsoft Excel (Intermediate), Microsoft Word (Intermediate), Microsoft PowerPoint (Intermediate), Figma (Intermediate), Canva (Intermediate), GitHub (Intermediate)

PROJECTS

MYUTP++ – All-in-One Student Platform

Oracle APEX, SQL | CODEXIA 2026 Top 6 Finalist

- Developed a centralized student platform integrating event management, social interaction, and digital marketplace features.
- Built event registration, dynamic event filtering, user profiles, direct messaging, and marketplace modules using Oracle APEX and SQL.
- Implemented backend logic for real-time event categorization and user data management.
- Collaborated with a team of 4 to deliver a functional prototype, achieving Top 6 Finalist in CODEXIA 2026.

OSINT-Based Cybersecurity Solution

Secure Nex Hackathon 2025 – 5th Place

- Developed an OSINT-based cybersecurity solution during a 48-hour hackathon organized by PETRONAS Group Security and UTP.
- Integrated social media APIs including Instagram and TikTok for publicly available data analysis.
- Designed heat map and force-directed graph visualizations for cybersecurity threat analysis.
- Utilized Gemini AI for cybersecurity risk classification and assessment.

BIMTalk – AI Accessibility Solution

Microsoft ASEAN AI for Accessibility Hackathon 2025 – 1st Runner-Up

- Proposed an AI-powered solution for real-time translation between Bahasa Isyarat Malaysia (BIM) and spoken Malay.
- Designed system architecture for accessibility use cases in healthcare, education, and public services.
- Conceptualized integration of OpenCV, Azure Custom Vision, LSTM, ChatGPT API, and Azure Speech Services.
- Presented the proposal at ASEAN-level competition and achieved 1st Runner-Up.

LEADERSHIP & EXTRA-CURRICULAR ACTIVITIES

President, Ambassador of Marketing Youth (ARMy)

Universiti Teknologi PETRONAS | May 2025 – Jul 2026

- Led and supervised 25 student programmes involving collaborations with MAIPk, MARA, KPM, and SBP communities.
- Coordinated stakeholder engagement, sponsorships, and programme operations for university and external events.
- Managed cross-functional teams and strengthened leadership, communication, and organizational skills.

Project Director, Orientation Week January 2026

Universiti Teknologi PETRONAS | Jan 2026

- Led the planning and execution of a 5-day orientation programme for 350+ new students.
- Coordinated III committee members across multiple departments to ensure smooth programme operations.
- Developed the first edition of the Orientation Week Guideline (Terms of Reference) for future programme standardization.

Project Director, Kem Super Syabab 2.0

Universiti Teknologi PETRONAS | Dec 2025

- Directed a 4-day CSR programme involving 156 participants and 50 committee members.
- Managed programme operations, sponsorship coordination, and stakeholder engagement with PETRONAS-linked organizations and university departments.
- Oversaw programme financial planning and budget management totaling RM109,505.00

Student Representative Council (SRC) 2024/2025

Universiti Teknologi PETRONAS | Jan 2024 – Nov 2025

- Represented the interests, welfare, and concerns of 7,000+ UTP students in campus governance, welfare discussions, and institutional engagement.
- Proposed and contributed to student-focused improvements, including initiatives to enhance campus facility usage and parking efficiency.
- Strengthening leadership, problem-solving, and stakeholder communication skills through active campus representation.

WORKING EXPERIENCE

Teaching Assistant (Academic Support)

Universiti Teknologi PETRONAS | Jun 2025 – Nov 2025

- Prepared lecture slides and academic presentation materials for university-level courses using Microsoft PowerPoint.
- Assisted in organizing educational content to support teaching and student learning.

Admission Assistant

Universiti Teknologi PETRONAS | Sep 2024 – Nov 2025

- Assisted with admissions-related administrative tasks and communication with prospective students.
- Developed organizational and stakeholder communication skills through campus support activities.

AWARDS & ACHIEVEMENTS

- 1st Runner-Up – Microsoft ASEAN AI for Accessibility Hackathon 2025
- Top 6 Finalist – CODEXIA 2026 MVP / Prototype Competition
- 5th Place – Secure Nex Hackathon 2025
- 3rd Runner-Up – Oh My Code Competition 2024
- Dean's List Award January Semester – Universiti Teknologi PETRONAS
- Leadership Award Recipient – Universiti Teknologi PETRONAS

CERTIFICATIONS

- Microsoft AI For All – Microsoft (2025)
- How Hackers Break into WiFi & Networks – 0day Academy x OWASP (2026)
- Participation in AI, cybersecurity, and software development workshops and hackathons
